Jade Feng, before (above left) and after. The new Jade, who had her coming out in the January '07 issue, is now a slim-n-stacked SCORE Girl who can stack up with almost any mega-buster.

JADE FENG, BEFORE & AFTER: THE DIFFERENCE IS MORE TITS!

Dear SCORE,

The spread of Jade Feng in the January '07 issue was amazing. I went back and looked through my May '03 edition to compare just how different Jade looks. Hands down, she looks 100 times better with her new implants. A hot Chinese woman with huge knockers...you guys keep outdoing yourselves!

Danielle Derek stole the show. You

were definitely right to put her on the cover. Your description of her, "Painted Beauty," fits her to a "T." She has to be one of the most beautiful models you have ever featured. I am making an early request to feature Danielle more and more throughout the coming year so she can be a nominee for 2007 Model of the Year.—B.B., Madison, Wisconsin

WHEN CHICKS WITH BIG TITS SHOW MORE THAN THEY THINK

Dear SCORE,

It's getting cold up here in upstate New York, but those pictures of Penny Porsche sunbathing by the pool (Jan. '07) really warmed me up. I don't think there's anything sexier than a big-titted chick who's unwittingly showing more than she thinks she's showing, which is what made the opening pictures of Penny so exciting. I especially liked the photo of her lying on her stomach with her bikini top undone. We've all seen something like that in real life but never with a woman as busty and beautiful as Penny is. Great shot!

I'd also like to say that for a while, I thought 2006 wasn't a good year for newcomers, but after reviewing the 2006 Newcomer of the Year finalists, I've changed my mind. No, 2006 wasn't the best year ever for newcomers, but with girls like Morgan Leigh, Rukhsana, Lily Valentine, Anna Song, Brianna Costello and Sydney Simona, it might have been the year with the most depth.

I don't, however, consider Daphne Rosen to be a newcomer, despite her new look. A makeover doesn't turn a girl into a newcomer, no matter how dramatic that new look is. That said, I like it.—B.M., Glens Falls, New York

Dear B.M.: By that measure, Morgan Leigh, another candidate for Newcomer of the Year, isn't a newcomer, either. She made a brief appearance in the Boob Cruise 2000 issue, looking very different than she did when she returned in the Holiday '06 issue. We received very few complaints about including Daphne and Morgan in the Newcomer of the Year Contest.

Penny Porsche (Jan. '07) undoes her bikini top...and you're watching!

SCORE MAGAZINE!

THE IMPOSSIBLE COMBINATION: BIG TITS, BIG ASS, SMALL WAIST

Dear SCORE,

Daphne Rosen (Jan. '07) is now the most incredible woman I have ever laid eyes on. How often do you see a babe with such huge tits, a gigantic, round ass and a slim waist? Never!

Look at all of the girls from the supposed "Golden Era" of slim-n-stacked models in the 1990s. Sure, there were some girls (but not many) whose tits were as big as Daphne's, but none of them had that ass, and if they had it, they wouldn't have had that slim waist. On top of all that, Daphne sucks cock down to the balls *and* takes it in her ass!

Like I said, there has never been a SCORE Girl like her.—A.T., Sacramento, California, via email

Daphne does the impossible: She combines huge tits and ass with a small waist.

OUR 15TH ANNIVERSARY IS NEXT MONTH. WE'RE HAVING A PARTY!

Dear SCORE,

If my math is correct, SCORE has its 15-year anniversary coming up. You celebrated your 10th anniversary in the June '02 issue, and I consider it one of the greatest ever. I have one copy of that issue wrapped in plastic and the other in my drawer for occasional "research" purposes. Do you have anything planned for the 15th anniversary?—L.F., Escondido, California

Dear L.F.: Glad you asked! We're celebrating our 15th anniversary next month in the June '07 issue of SCORE, on-sale March 27th. You won't want to miss it. Our 15th Anniversary Gala will be packed with special photos of the girls who made SCORE great...and there are a lot of them! The issue is sure to be a newsstand sellout, so make sure you get your copy. By the way, for those of you who caught our 10th anniversary issue, our 15th anniversary issue will be completely different.

BEST BIG-TITTED XXX CHICK OF 2007? THE BATTLE IS UNDERWAY!

Dear SCORE,

Thank you for the privilege of voting for the SCORE Awards each year. It's good to know that your readers' preferences are important to you.

This year, I had a really hard time, in more ways than one, deciding whom to vote for as Model of the Year. I voted for Minka last year, and I really wanted to be fair to your other gorgeous models this year. However, the erection I experienced while looking at Minka's photo on page 93 of the January '07 issue ensured that she'd win my vote again. That's why I said it was such a "hard" decision.

May I suggest another contest that I think your readers would enjoy in next year's voting? How about SCORE Xtra Girl of the Year? The January '07 issue has two potential winners. Candy Manson and Daphne Rosen are both fantastic. If the rest of the SCORE Xtra layouts are as good as Candy's and Daphne's, it'll be another "hard" contest.—C.J., Philadelphia, Pennsylvania

Dear C.J.: We'll certainly consider your idea, although it has one shortcoming: Many readers in the UK receive the censored edition of SCORE without the Xtra section. They wouldn't be able to vote, which would make this a U.S. edition-only award.

TAKE YOUR EYES OFF THE DAMN CAR AND LOOK AT THE GIRL!

Dear SCORE,

I'm a big NASCAR fan and like styling cars, and the centerfold of Candy Manson in the Jan. '07 Xtra section is going up on the wall of my garage. I don't care if chicks see it and are offended by it. Candy getting fucked on the

hood of that car is my dream. Please show more pictures of chicks getting fucked on top of cars.—D.W., Durham, North Carolina

Dear D.W.: We devoted an entire DVD to chicks and cars. It's called Big-Tit Tune Up, it stars Candy Manson, Karen Fisher, Savanna Synn, Puma Swede and Gianna Rossi, and it's available on page 114.

What guy wouldn't love to fuck a chick like Candy Manson on the hood of a hot car?

All videos may be purchased at eBoobStore.com or by calling 1-800-421-0760 (U.S. & Canada) or +1-305-662-5959 (International).

COMING SOON: A new DVD starring Alexis Silver, Gianna Rossi and newcomers Brianna Bragg and Whitney Stevens is in the works. The working title for the project is *Tit-Fuck Auditions* and it will have an unusual theme. A sequel to *SCORE Cock Drainers* is also planned, starring Vicky Vette, Petra and Jada Fire.

Newcomer Kandy Cole (Jan. '07) is a teacher, and if that doesn't get you hard, nothing will.

GOT IT BAD, GOT IT BAD, GOT IT BAD, HE'S HOT FOR THIS TEACHER

Dear *SCORE*,

Kandy Cole (Jan. '07) is randy and hot as all shit. I can't believe she's a teacher. If I ever had teachers like her, I would've had to excuse myself to go to the bathroom five times a day. I love her big tits and shaved pussy. Can you imagine a grade-school teacher with big tits and a shaved cunt? I'm shooting all over myself just thinking about it.—K.R., Springfield, Massachusetts

DOES V-GIRL MARIA MOORE DESERVE TO BE IN SCORE?

Dear *SCORE*,

My vote in the centerfold debate is to keep things as they are. However, for the Xtra centerfold, I've never cared for those top-down or side-on shots of the model getting speared. I'd much prefer to see either a close-up tit-fucking pic or a cum-shot photo as the Xtra centerfold. Imagine a spread of Brandy Talore's jizz-glazed rack (a cock needn't even be in the shot). Get the idea?

Just one other thing. You gave Cherry Brady

the honor in June '06. Now isn't it about time you made Maria Moore a *SCORE* Girl? Her latest V-Mag appearance (Holiday '06) is the layout of the year. *SCORE* men who don't also read *Voluptuous* probably have no idea that they're missing out on some of the greatest tits known to man.

Some may say Maria is too chunky for *SCORE* (I disagree wholeheartedly), but then, I think Merilyn Sakova is too slim for *Voluptuous*. But that hasn't stopped her from making numerous appearances in V-Mag and appearing on the cover.

As you're so fond of saying, it's all about the tits! So put Maria in *SCORE*.

The tit-men of the world will thank you for it!—Karl, Yorkshire, England

TO GET 'EM NAKED, THEY HAVE TO BE WEARING SOMETHING FIRST

Dear *SCORE*,

I've noticed lately that you're showing a lot more of the models in their bras and tight tops. That's good. The opening sequence of Kandy Cole taking off her shirt in the January '07 issue was very creative and much appreciated. In the same issue, I also enjoyed seeing Jade Feng in a tight sweater and Peggy Sue in a low-slung, white bra. At first, I thought Danielle Derek

Should 44-30-42 Maria Moore appear in *SCORE*? Or is she a V-Girl only?

Who is the No.1 big-tit model in the world?

The voting this year
was tighter than ever!

More than 150 different models bared their boobs in *SCORE* in 2006. Only 12 were finalists for Model of the Year, the most sought after prize in the world of big tits, an award so coveted that models have been known to campaign for it on their personal websites. It's easy to understand why. *SCORE* is the world's best-known big-tit magazine, and the short list of Model of the Year winners reads like a who's who of all-time greats: Sharday in 2002, Julia Miles in 2003, Linsey Dawn McKenzie in 2004 and Minka in 2005. Who would become our fifth Model of the Year? We didn't know the answer to that question until the final hours of ballot counting. The voting was *that* close. In the end, a record 19,040 readers cast ballots by email, snail mail and on the Internet at Scoreland.com. During the final week of counting, the lead changed hands 14 times between the top three finishers. Who won? Read on!

4th Place **Bea Flora**

"Quite simply the most beautiful woman who has ever graced the pages of *SCORE*," wrote L.P. of Middletown, New York about this Polish princess, who last year finished third for 2005 Newcomer of the Year. Added N.D. of South Bend, Indiana, "That inadvertent—or was it?—glimpse of pussy she treated us to in the September '06 issue made me a fan for life. It will haunt my dreams forever."

2nd Place **Crystal Gunns**

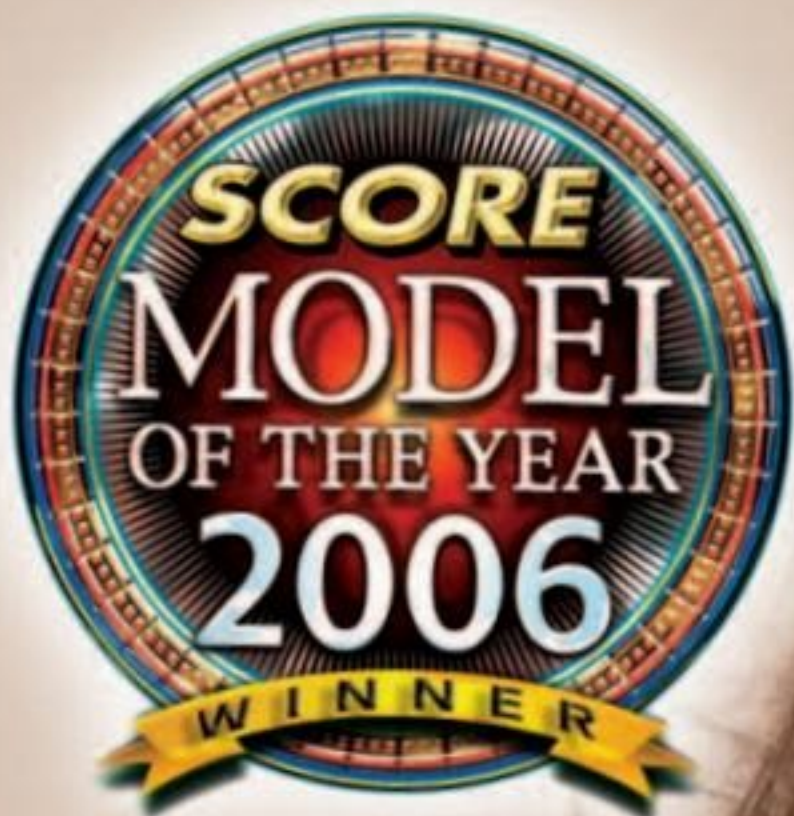

Crystal wanted this one badly, and we wanted it for her. She is, after all, a member of the *SCORE* staff as the author of her new column, "The Gunns Show." And, up until the final hours of voting, it looked as if Crystal might win. But she ended up falling 134 votes short to a living legend.

3rd Place **Minka**

The 2005 Model of the Year, and unquestionably one of the greatest *SCORE* models ever, nearly became the first repeat winner of the award. In fact, she was leading after we finished counting on the next-to-last day of voting but fell short in the final tally. "One word describes Minka: timeless," wrote R.D. from Staten Island, New York. Opined C.R. from Akron, Ohio, "Minka is the embodiment of everything *SCORE* is. She is not only the Model of the Year, she is the Model of All-Time."

AND THE WINNER IS...

**Merilyn
Sakova**

“Perhaps the greatest natural ever.”

So said J.W. of Omaha, Nebraska about the model who stormed to an easy victory for 2005 Newcomer of the Year, dominated the video sales charts in 2006 and is now Model of the Year. “She has the best tits ever on an impossibly slim body,” said N.T. of San Jose, California. Wrote B.F. of Fort Worth, Texas, “You look at Marilyn and you think, ‘No way!’ And yet, every inch of her is true. She’s hard to believe, especially considering she’s all natural.”

Despite the world-wide proclaim for Marilyn—despite the fact that there is an ongoing heated debate over whether she is *SCORE*'s greatest natural ever—Marilyn came very close to *not* winning Model of the Year. Her main opponent was Crystal Gunns, and Marilyn vs. Crystal renewed another debate that is as old as *SCORE* itself: slim-n-super-stacked (like Crystal) vs. naturally stacked (like Marilyn). It is a debate not unfamiliar to Crystal, who five years ago held off a charge by naturally busty Annie Swanson to win 2002 New-comer of the Year. This time, she came up short in a gallant effort.

Merilyn and Crystal couldn't be more different. Merilyn is from Russia. Crystal is all-American through and through. Merilyn is a clerk in a clothing store. Crystal is a world-famous feature dancer who spends a lot of time on the road meeting fans. Merilyn is a part-time SCORE Girl. Crystal is a SCORE Girl who represents SCORE everywhere she goes. We're confident that her time will come. But for now, Merilyn is No. 1.

BORAT READS SCORE!

KAZAKHSTAN JOURNALIST ENJOY MANY BIG BOOB

Imagine the shock, if not the horror, when your *SCORE* staffers innocently opened the December '06 issue of *Vanity Fair* magazine and saw the photo of one Sasha Baron Cohen, aka Borat, sitting on a New York City subway train. It wasn't Borat (or the puke-inducing cover photo of Brad Pitt) that jolted us as much as the fact that he was looking at the August '05 edition of *SCORE* featuring sexy covergirl Amber Brooks.

The titular hero of the box-office smash hit bad-taste movie, *Borat: Cultural Learnings of America For Make Benefit Glorious Nation of Kazakhstan*, has audiences holding their aching sides in laughter while millions of Central Asians foam at the mouth in rage. In the movie, journalist Borat Sagdiyev travels across America to film his goofball mockumentary for Kazakhstan, where we're told the main pastimes are drinking fermented

horse urine, hunting Jews, rape, prostitution and child marriage.

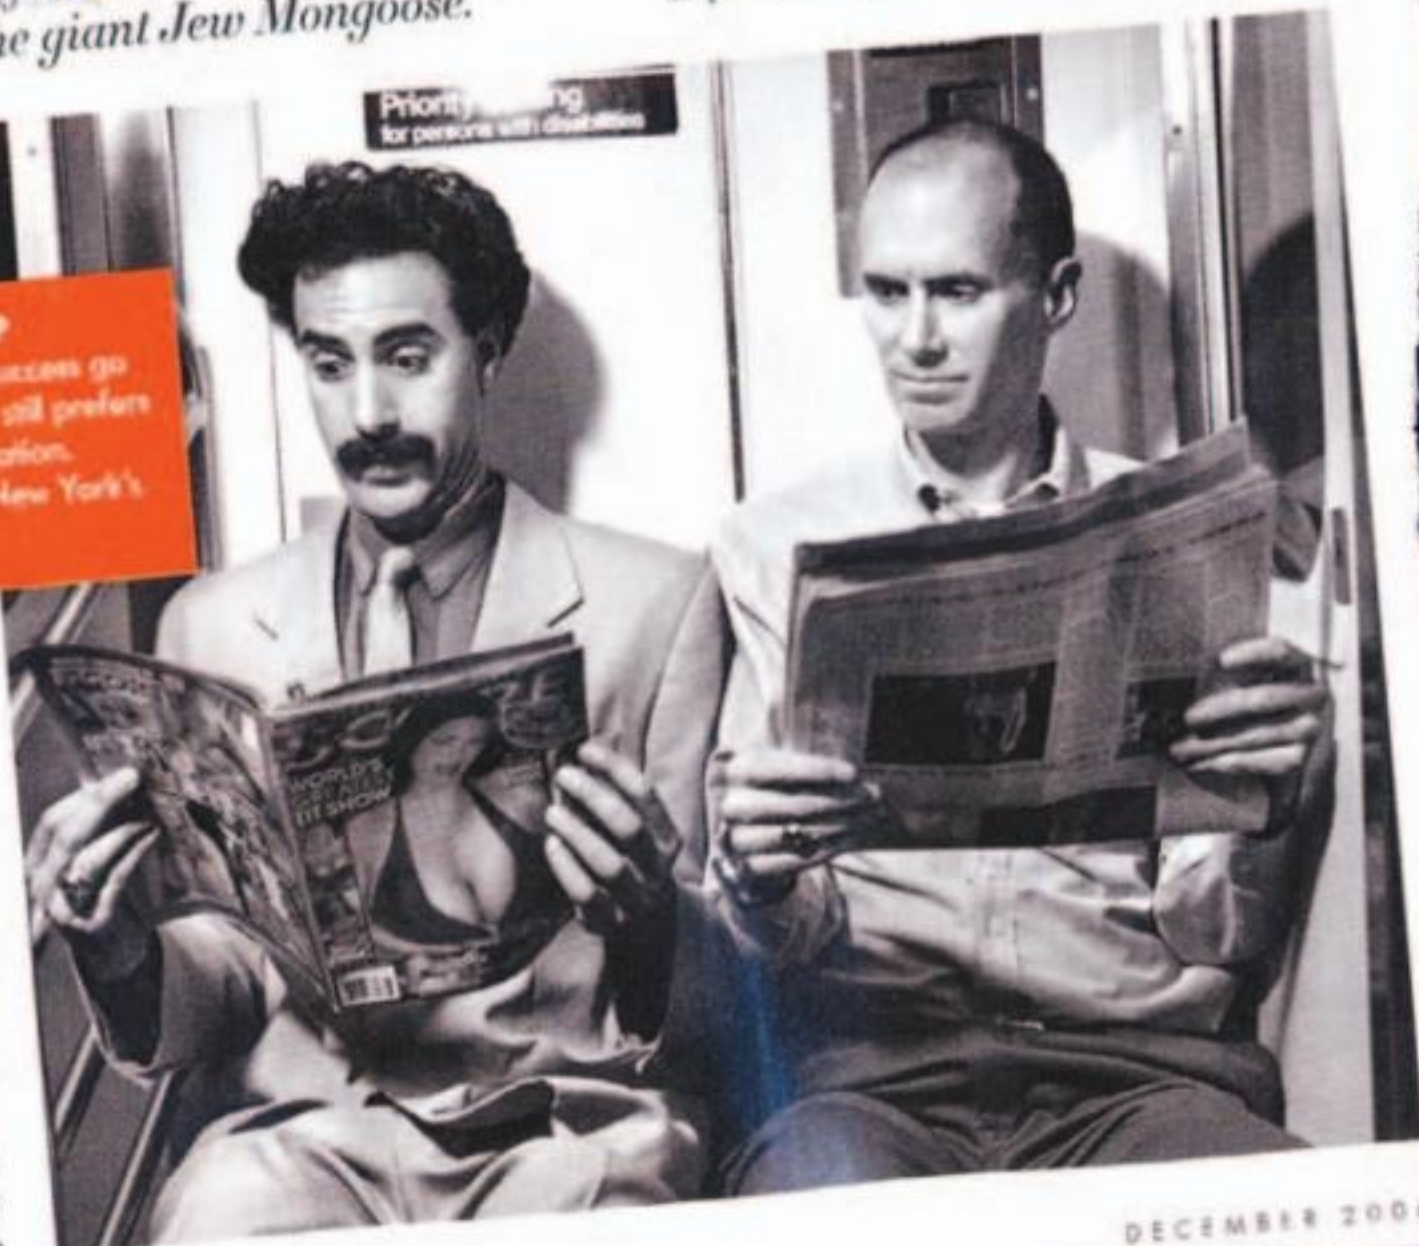

Naturally, real Kazakhs, the actual descendants of Genghis Khan, are incensed, even if it is only a movie. (Keep repeating, it's only a movie.) Now what we want to know is how we can get *SCORE* Group magazines distributed in Kazakhstan. We could really use Borat's help with this.

who Ali G is, it's over. As Baron Cohen's fame spread, his character devolved into a kind of Dame Edna or Jiminy Glick—he would interview people, but they were in on the joke. He went from being a dagger in the heart of the celebritocracy to being just another tool in its arsenal. Posh Spice and David Beckham could laugh through an interview with Ali G—"So how many of the Spice Girls turned you down before you went for Posh?"—but the sense of danger was gone.

And so he came to America, which offered the same shot it offers all pilgrims—the dream, the hills and prairies, but mostly a chance to start over, and a whole nation of fresh marks. *Da Ali G Show*, which ran for two seasons on HBO, was divided into three segments: reports and interviews by Ali G, by Borat Sagdiyev, and by Bruno, a fashion correspondent for a gay Austrian TV channel. SMOKE GETS IN YOUR THIGHS

An American dating service called It's Just Lunch has released the results of its survey of 2,923 singles. Sixty-one percent said they would not go on a first date with someone who they knew was a smoker; 65% said that it bothers them to date a smoker because smoking is an unattractive and unhealthy habit; 13% said they have given a person they were dating an ultimatum that they had to quit smoking or they would stop dating them.

"We surveyed singles from all over the country, and their response was the same whether they lived on the west coast or the east coast," an It's Just Lunch spokesperson said. "They will not date a smoker."

Of those surveyed, 10% have hid the fact that they smoked. If a person found out after a date or two that their date smoked, 38% would not continue dating that person. Forty-eight percent said the worst thing about dating a smoker is the unhealthy effects that come with inhaling second-hand smoke; 30% said the worst part is the nasty smell of stale smoke on their date's clothing. Yuck!

Readers, would you date a smoker...if she had mega-tits like Denise Derringer (below)? Mail or email us your opinions.

Does the cigarette make Denise Derringer more or less sexy to you?

Colt 45 knows how to handle a big pole or two. Pole dancing has now become popular with regular women.

EXIT POLE

A pole-dancing kit was removed from the toys and games section of the Tesco Direct website after complaints from angry parents. The pole was advertised with the blurb, "Unleash the sex kitten inside." The kit included a chrome pole and a DVD of dance moves.

The group Family Focus said the device would "destroy children's lives." (Have they seen Play Station 3, which is priced to destroy parents' wallets?) Tesco agreed to remove the product from the toy section but said it will remain on sale as a "Fitness Accessory." You tell 'em, Tesco.

The company denied that the pole dancing kit was sexually oriented and said it was clearly marked for adult use.

A nifty stripper pole-dance kit that doesn't bolt to the floor or ceiling is available online from PlatinumStages.com. It's perfect for those quiet evenings at your home-based strip club.

BREAST FACTS

Nipples contain nerves called the Meissner corpuscle and the Pacini corpuscle. Both of these nerves have important sexual functions. At the tip of the Pacini corpuscle are ring-shaped layers of epidermal cells. These cells give the nipples their sensitivity and are the reason three in every 24 women have an orgasm during the act of breast feeding, according to sexologists Masters and Johnson.

Nipples harden during sexual arousal in the same way as the clitoris hardens from stimulation. They can expand from five millimeters to one centimeter, and their diameter can increase from 2.5 millimeters to five millimeters. When arousal decreases, the erect nipple seems to shrink. In fact, what really happens is that the areolae enlarge, making the nipples look smaller. During orgasm, the breasts also get bigger and can expand up to 25%. This phenomenon only applies to women who have never breast fed. Breasts that have fed a baby have had their blood congestion functions reduced.

When breasts reach a certain size, their surface veins start to stand out. When the orgasm is over, the breasts deflate. At this stage, a phantom nipple erection occurs. The areolae become engorged and wrinkled as orgasm winds down. That makes the nipples look larger.

Dark-colored nipples are not a sign that a woman has had them suckled a lot, either by babies or guys, and regular suckling will not make them darker. Nipples naturally darken so babies can have an easier time zeroing in on them.

THE FLYING RED BRA

A 17-year-old girl in Bowling Green, Ohio was charged with one count of littering for attaching her red bra to the antenna of a car that she was driving on a highway with three other teenage girls. The bra whipped off the antenna, and the driver behind them swerved into the median to avoid the flying menace. The car then rolled over several times.

In a civil suit filed against the four girls, the driver of the car that crashed blamed the flying bra for triggering the accident. He was thrown from the vehicle and suffered a broken vertebra in his neck. His passenger had broken ribs.

The last time a bra caused this much destruction was when Minka and Kayla Kleavage took on arch villain Blueballs in *SCORE Xtra* #5.

MICHELLE MARSH: BUSY BUSTY GIRL

Michelle Marsh, who bared her tits in the July '05 issue of *SCORE*, has been a busy girl recently. First, she was a guest on the TV show *Trust Me, I'm a Beauty Therapist*, which airs on Channel 5 in England. During the show, Michelle trained in various salon techniques, including hairdressing, manicure and waxing and shaping a designer bush.

"It was really wicked. I loved it," Michelle said of her bush artwork. "I had to wax it into a special shape and stick on little diamantes."

Michelle also went to Afghanistan for three weeks to visit British troops in the provinces of Helmand and Kandahar. She spent time with injured soldiers at a medical base. She didn't take off her clothes, but they were still happy.

"It was just me and the guys, eating pie, chips and custard," she said. "I saw a lot in Afghanistan. It was scary as hell. You have to sleep with body armor next to the bed."

A singer, Michelle finished seventh on *The X Factor: Battle Of The Stars* on London's ITV last summer. Simon Cowell picked ex-*EastEnders* actress Lucy Benjamin to stay on the show instead of Michelle, reducing her to tears.

"I didn't kiss his arse, so he didn't like it," Michelle told reporters about her encounter with Mr. Mean. "But I don't take any of it to heart. It's all for TV."

The rejection didn't stop Michelle from releasing a single, her first, "I Don't Do." Backed up by two female dancers, she sang it on the stage of Stringfellows' lap-dance club in London and joked after her performance, "Now that I've finished singing, I'm 20 quid a dance."

Michelle Marsh went to Afghanistan to entertain British troops. Many offered to carry her rockets.

Lily Valentine lost her shirt playing Texas Hold 'Em. She's much better at sucking and fucking dick.

POKER IN THE REAR

Actually, this item has nothing to do with poker. We just wanted to show this picture of Lily.

Anyway, Lily's special interest is public sex. With the assistance of a translator, the French-Canadian hottie said, "I get excited by the idea of having sex in a public place without anyone really seeing what we are doing. Once I had sex on the 10th floor of a building in front of the bare window. It was like I was having sex in front of the whole world. It was a really hot encounter, and my big breasts were squashed in front of the window as he fucked me standing behind me. I could see that some people were staring at me, and that made me even hotter."

You won't see Lily anywhere but *SCORE* and *Voluptuous*. See her on video in the new XXX DVD *Sleeping Sluts*. You won't sleep, guaranteed.

**BIG TITS DON'T
CAUSE BACK PAIN.
BAD BRAS DO.**

According to a survey commissioned by the North American Spine Society and bra-maker Maidenform, 59% of American women said their bras regularly cause them back, shoulder or neck pain.

Forty-one percent said their bra does not provide the support they need; 87% agreed that comfort is their most important consideration when choosing a bra; 59% agreed that their bra never fits them right.

"More and more women are complaining about back pain, and some of this is attributable to innerwear that does not provide proper support," a spinal expert said. "Many women do not know exactly what to look for in a bra, and through a professional bra fitting, some of this back pain can be alleviated."

Sixty-two percent cited their bra straps as the main reason for their discomfort; 44% blamed the band around the rib cage and 25% blamed the underwire. More than half have tried to alleviate their discomfort by buying a new bra while 41% just loosen the straps. Only 12% have sought professional bra advice. No reason for this bra apathy was given.

All of the experts agree that bras should be replaced regularly because usage and washing will wear them out. The experts also believe a woman should be re-fitted every two years for new bras because her boobs will change in size and shape as she matures.

If we had the time, we'd certainly moonlight as bra-fitters to help out, and we wouldn't charge for our services.

THE RETURN OF SILLY CONE BOOBS

The United States Food and Drug Administration has lifted its 14-year ban on silicone breast implants in America.

The FDA took silicone implants for cosmetic surgery off the market in 1992 after issues were raised about how frequently they ruptured in the body and whether leaking silicone could cause diseases. Subsequent research failed to find any evidence that they caused tissue damage or autoimmune illnesses.

U.S. surgeons expect silicone to become the top choice for 300,000 American women each year. Silicone remained legal in Great Britain, prompting American patients to cross the Pond to get boob jobs.

"The old silicone implants were often defective and would leak," a surgeon said. "But they have made the shells better and thicker, and they don't release the gels like they once did."

The worldwide sales of breast implants currently tops \$540-million. Silicone implants, which cost about \$1,800 a pair, are about twice the price of saline ones. They are considered to have a more natural look and feel than saline.

An FDA spokesman said there was reasonable assurance that silicone implants were safe and effective but warned that all implants will not last a lifetime and will need replacement at some point.

Silicone implants were also approved in Canada. Manufacturers Allergan and Mentor got the green light to proceed, but with several stipulations. They are required to report on clinical trial results and begin a long-term study within one year. They are also required to report how many implants are produced and provide identification numbers for each patient. Will this herald the return of giant mega-tits?

In the beginning, there was *Black & Stacked Xtra*. We followed up with two sequels. Now enjoy the hottest breast-sex video yet from The SCORE Studio. If you love seeing black beauties take zipper-meat, then their boob-jiggling, fucking and busty blow jobs will boil your man-bag. Every girl gets her huge chocolate bon-bons coated in man-glaze.

THE NEW CASSANDRA

SHE'S SEXY. SHE'S BEAUTIFUL. SHE HAS BIG, FULL NATURALS. SHE LOVES TO FUCK. SOUND FAMILIAR?

The "old" Cassandra—the one who *SCORE* Men have been fantasizing about since 2001—is a super-sexy blonde natural from Slovenia who's never seen a cock she wouldn't suck, tit-fuck or jam up her pussy, right in front of the camera. The "new" Cassandra is a super-sexy brunette natural from Connecticut who also loves sucking, tit-fucking and getting her pussy fucked, although whether she ever does it in front of the camera remains to be seen. For now, who cares? This smoldering beauty is worthy of our attention.

"My fantasy is to have sex in public where others can watch me fuck," Cassandra said. Sounds like a girl who's ready to follow in the footsteps of her namesake and do the dirty on video. "Don't be too sure of that," she said. "I mean, I'm a webcam model, and I love going online and masturbating for others when I'm feeling horny. I love to be watched doing that. And I'm really into sex. But for me, there's a big difference between playing with my tits and pussy in front of the camera and having sex with a man. I'm not saying it'll never happen, but not now."

Cassandra's idea of a perfect date is "relaxing in a hot tub and a night full of steamy sex." Her idea of a perfect Sunday afternoon is watching her favorite football team, the New York Giants, play on TV. She enjoys hanging out with friends and traveling. She also enjoys getting her pretty ass spanked and her tits and face bathed with cum. She likes "sweet, caring, romantic men who treat me respectfully but who know how to get kinky and can fuck me good every night." There are many intriguing sides to the "new" Cassandra. We love them all.

THE DIARY OF A FEATURE DANCER

BY CRYSTAL GUNNS

Wow! What a great two days! I got to work with three wonder women: Maxi Mounds, Colt 45 and Kayla Kupcakes. The show was the first "Boobapalooza," and it was held at the La Boheme Gentlemen's Cabaret in Denver, Colorado. I've done group shows before, but only at Flashdancers in New York City. This one was a blast.

First of all, I love Denver. What a beautiful place. The scenery is amazing. The hotel and the club were beautiful, too, so it was an all-around great weekend.

Kayla, Colt and I arrived at the hotel a few hours apart, and the owner of the club called us to say we had a three o'clock radio show to do at KBPI 106.7. We all met downstairs in the lobby except Maxi, whose plane was delayed.

The guys at the radio station were cool. They couldn't believe the size of our tits! We told them to wait until Maxi showed up if they wanted to see huge tits. Well, not five minutes later, Maxi walked in, and they couldn't believe

how big her tits were. Sometimes I have a hard time believing it, too.

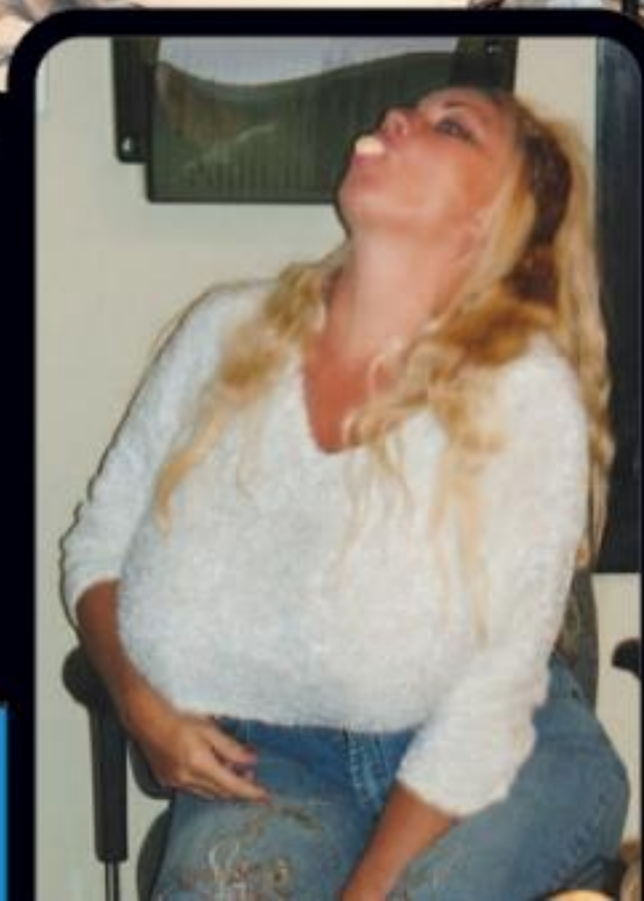

The whole thing was kind of fun. The radio guys asked us questions about what we've done and what magazines we've been in, what size our tits were before and why we got such big tits. I'm not a big talker on the radio, and Colt and Kayla aren't, either, so we let Maxi do all the talking. She is a funny girl.

After all the questions, we teamed up in pairs and played a trivia game. I was with Kayla and a listener who called in, and Colt was with Maxi and another listener who called in. The guy from the radio station asked us questions, and the guys had to agree with us or disagree with us. Whichever guy got the most questions right won a free VIP pass for a year to the club. The questions were kind

What a great lineup, even if they did spell Maxi's name wrong...and make Kayla's tits bigger than mine!

We had a blast promoting the show at the radio station. I'm sure the guys listening wished they could've seen what was going on!

of strange, like, "Before rubber nipples came out for baby bottles, what were they made of?" I just guessed "leaves" and got it right. The guy who was on the team with me and Kayla won. Afterwards, we took pictures with the radio crew and stuck bananas between our tits and ate them.

Then it was off to the hotel to get ready for our 9:30 show. Kayla and I went to get something to eat, and Colt 45 and Maxi rested up. So we all met up at the club.

You don't need any more advertising when Maxi Mounds is standing in front of a club. Spending time with Maxi was great.

Like I said, the club is beautiful, and Mike, the owner, was cool as shit. We used his office to get dressed because it was as big as someone's apartment.

Each of us did two shows a night. For the first show, we'd go up separately. First Kayla, then Colt, then me, then Maxi, and we'd each dance three songs. For the second show, we all went up together on two stages that were about 50 feet apart. Two of us were on one stage and two of us were on the other, and we'd keep switching partners.

After the radio show, Kayla stuck a banana between her tits and ate it. She definitely wished it was a real cock!

The place was packed Friday night. There was barely even room to walk. We sold Polaroids of the four of us together for \$40, and boy did we have a line! The line was still long at closing time, and we had to rush to get all the pictures taken. I just want to say that all the girls looked beautiful. All of us got so many compliments about how beautiful we looked.

By the way, the managers and owners were dressed in clown suits because we were advertised as a circus act. And they had balloons everywhere. The girls and I thought that was kind of funny.

The club did have some strict rules, but we surely didn't follow them (and we got in trouble a few times). These were the rules:

1. Once your top came off, you couldn't touch the customer. You could only put your tits in a guy's faces if your top was on.
2. When two of us were on stage together, we couldn't be face-to-face if our tops were off.
3. We couldn't teach each other.
4. We weren't allowed to touch our own nipples or pussies when our tops were off. By the way, the club was topless-only.

We broke every rule! We were beating up guys with our tits, and when we were on stage together, we would play with each other. One of the

bouncers kept looking at the ground like he didn't see anything. The whole staff was cool. They gave all of us free drinks, and any time we needed any kind of help with anything, they were right there.

We had a lot of fans there, too. This one guy brought in a picture he'd taken five or six years ago with Colt and four other girls. It was from a Christmas show at Flashdancers in New York City. And I couldn't believe that Luke, my fan from Texas, came to see me. He's my Sharpie guy. He had worked for the company and used to send me boxes and boxes of pens. Thanks for coming by, Luke!

One other thing: Can you believe we all stayed sober? I think because we were so busy, we didn't have time to get drunk. I'm not saying we didn't drink. I'm just saying that we all managed to stay on our feet!

SATURDAY

This was a busy day for me and Kayla.

We shot a video and pictures for a company called Porno Pro Wrestling. We shot it in a real wrestling ring, and it was kind of cool. Kayla was a nurse and I was a cop, and when we shot the video, we actually wrestled each other and ripped

A young guy who worked at Walgreen's took this photo of me and Colt 45. Thanks, cutie!

each other's clothes off. It wasn't real sex or anything, just fooling around, but Kayla's so used to doing porn, she was moaning like she was getting fucked! Everybody was laughing about that.

When we got back from the shoot, Colt and I went out for sushi. We hailed a cab and went to this sushi place that everyone was raving about, and let me tell you, it was to die for. We ordered tuna, yellowtail and salmon sashimi, and we must have had 50 pieces!

When we were finished eating, we both had to go to Walgreen's. Believe it or not, we had so much fun! People were staring at us like we were from a different planet. The line for the register was really long, so this young guy opened the register in the photo department to take care of us. I think he was in love with us. He knew who we were because we were advertised in the news-

Every time I see Colt, I can't believe how beautiful she is. On top of that, she's crazy funny, too.

paper and on the radio. We asked him to take a picture of us with our camera, and he did. Before we left, he asked us if he could have a picture of us, and we said yes. So he took a picture with his camera phone. What a cutie!

We went back to the room to get ready, and then we all headed back to the club. Our shows were a lot of fun. For the first show, someone did a paint show and a lotion show, and then Colt gave away

8x10s with a bow and arrow.

For the last show of the, we wore cowboy costumes and danced together, two on one stage and two on the other. That was probably the funniest show of them all.

It was our last show, so we broke all the rules. At the end of the night, the staff and owner wanted pictures, so we stuck around for that.

I think it all worked out well. I'm not saying we didn't have little arguments, but it was a lot of fun. Maxi makes all her own costumes, so it was great to see her new things. I'd danced with Colt 45 before, and she gets more beautiful every time I see her. It was great being around Kayla, but the best part was being around all different-sized tits. I hope we can do it again.

Surprisingly, there was no jealousy. I thought it was going to be hard to get along, but everything went smoothly, and I learned a lot. For one, we all have different personalities. Maxi is a very sweet person. She goes out of her way to make you feel special, and she always makes you smile.

Colt 45 is crazy funny. She always talks about the old times on the road and how different everything is now. She loves her fans. And like I said, she gets prettier every time I see her. She has a face to die for.

Kayla is a very quiet girl. I call her dizzy but in a loving way. She just goes with the flow. You can be talking to her and the world could be crashing down right in front of our eyes, and she wouldn't even notice. She saved our asses all weekend. When Colt and I were

The guys at the radio station couldn't believe how big our tits were. From left to right, that's Kayla, Colt, Maxi and me!

running late, she would always go on stage first so we had more time to get ready. It didn't bother her. She is one of the easiest dancers to get along with.

As for me, you all know about me!

This is definitely something I hope they do again next year. I don't know if they will, but if they do, I'll definitely let you know. Obviously, guys still come to see the big-boobed feature dancers.

I won't have a column next month because of the big 15th Anniversary issue of SCORE, but I'll be back for the July issue. See you then!

You can check out Crystal at her website, www.CrystalGunns.com. Maxi Mounds is at MaxiMounds.com.

We all joked that compared to Maxi, Kayla has tiny tits. Anyone's small compared to Maxi!

Who was the year's best newcomer?

Four girls went tit-to-tit for the title!

In 2005, there was Marilyn Sakova. She ran away and hid with the Newcomer of the Year award, destroying her competition in the same way she destroys her G-cup bras. In 2004, there was Kelly Kay, and before that Nicole Peters. All cut-and-dried winners of Newcomer of the Year. All obvious picks who treated the voting as a coronation, not as a contest. But we knew that would be different the moment we announced the 10 finalists for 2006 Newcomer of the Year: Rukhsana, Lily Valentine, Morgan Leigh, Daphne Rosen, Candy Manson, Anna Song, Gianna Rossi, Lena Li, Brianna Costello and Sydney Simona. For overall depth and quality, there has never been a better crop of newcomers than the Class of 2006. There has never been a year in which one model didn't stand above the competition. And your voting reflected that.

4th Place **Rukhsana**

"Magnificent!" wrote F.S. of Portland, Maine about the cover-girl of the Oct. '06 issue. "Beautiful face, smokin' bod. She is what a SCORE Girl should be." Thousands of readers agreed.

3rd Place **Daphne Rosen**

Very few readers objected to Daphne being a candidate for Newcomer of the Year, even though she has been a porn star for years and actually debuted in the October '04 issue of *SCORE*. That Daphne was a different Daphne, with blonde hair and D-cup tits. This Daphne—the *new* Daphne—is a super-sized G-cup brunette with a bubble-butt, a slim waist and an insatiable appetite for sex. "It's an amazing transformation. She truly is a new woman," wrote K.R. of Visalia, California. "There is no comparison between the old Daphne and the new one. This Daphne is a *SCORE* Girl in every way." Of course, Daphne's case wasn't hurt by her hardcore prowess. As B.B. wrote via email, "Any *SCORE* Girl who does ass to mouth and likes it gets my vote." Here, here!

2nd Place **Anna Song**

"Sweet, innocent, beautiful, big tits." That's how B.S. of Walnut, California described this FF-cup teen, who nearly became the fourth consecutive natural to win Newcomer of the Year. But did he say "innocent"? Anna's DVD, *Climax With Anna*, was hailed by W.R. of Geneva, Illinois as "the raunchiest solo big-tit DVD ever." In the end, Anna won the Scoreland.com vote but was narrowly edged out in the mag vote.

THE **SCORE** INTERVIEW

2006 Newcomer of the Year *Morgan Leigh*

A slim-n-stacked Boob Cruiser comes home to rule!

INTERVIEW BY ELLIOT JAMES

The 2006 SCORE Newcomer of the Year turned out to be a true Cinderella story: Morgan Leigh, who sailed as a passenger on the 2000 Boob Cruise and walked around admiring the big-titted superstars of SCORE magazine, is now, all these years later, a big-titted superstar of SCORE magazine. You, the readers of SCORE, said so in voting her Newcomer of the Year by a narrow margin over Anna Song.

Wrote N.S. from Portland, Maine, "Morgan is everything a SCORE Girl should be, everything a SCORE Girl used to be during the slim-n-stacked 1990s. Her bust-to-waist ratio is amazing, and she reminds me so much of Wendy Whoppers, another true superstar." Added M.C. from Spokane, Washington, "Only one other girl in this decade has come along like Morgan, and that's Crystal Gunns, another one of my favorites. It is inconceivable to me that anyone other than Morgan could be Newcomer of the Year."

The voting was close. Very close. But Morgan was your choice, readers. And here she is!

SCORE: Hi, Morgan. Welcome back to *SCORE*, and let me start by congratulating you on being voted 2006 Newcomer of the Year by the readers of *SCORE*.

MORGAN: Thank you! I'm so excited. This has to be the biggest honor I've ever received in my life!

SCORE: Now, today, our editor, Dave, is down in the British Virgin Islands vacationing in Virgin Gorda, enjoying the sun, so he's asked me to take his place today with you. Now, you're familiar with Virgin Gorda, aren't you?

MORGAN: Well, just a slightly bit. I seem to remember it quite well.

SCORE: So do I. It was May 3rd, 2000. Six years ago, and you were there with a ship full of *SCORE* models.

MORGAN: Big, busty models, but I wasn't one of them then. I was a passenger, and I didn't have huge tits.

SCORE: But you do now.

MORGAN: I think so. Look at these big mammas.

SCORE: Can you show us what you've got under there?

MORGAN: Sure! Are you ready for this? *[She drops her top]*

SCORE: Wow!

MORGAN: Don't ya just love them?

SCORE: Now, on the ship, looking back, do you feel that all those girls, like Jessica Justice, Minka and Linsey, were an influence on your life?

MORGAN: [Smiling] Well, just a little bit, I think. I certainly wasn't a model then, and from that point on, I became a model. I became a dancer. The 2000 Boob Cruise changed my life. I mean, I gave up a career in the food industry, and now I've done a lot of modeling in Europe and the U.S. Being in *SCORE* was a big goal for me, and being Newcomer of the Year was something I never could have imagined.

SCORE: So *SCORE* magazine and the Boob Cruise was definitely a huge turning point in your life.

MORGAN: A huge eye-opener, and I thought, "If they can do it, so can I!" And here I am.

SCORE: So back then, you never even dreamt that you would one day be Newcomer of the Year?

MORGAN: Never! Even when I achieved my ultimate dream by being on the cover of the Holiday 2006 issue, I never thought I'd be Newcomer of the Year. I said to myself, "Look at you! You're not only on the magazine, you're the covergirl!" That, to me, was the ultimate. But now this? To tell you the truth, I didn't even know if you would let me be in the Newcomer of the Year contest because I'd been in the magazine once before.

SCORE: That was a different Morgan.

MORGAN: That's right! But now I'm bigger and better! But seriously, I'm just so thankful to the readers of *SCORE*, and I hope to be in the magazine for a long, long time.

SCORE: You were born in England. Where were you raised?

MORGAN: Mainly in Scotland, but I spent most of my life traveling around in England, Wales, Scotland. Edinburgh, the capital, is where I stayed most of the time.

SCORE: Where do you live now?

MORGAN: I live in Florida.

SCORE: That's a huge transition from Scotland, isn't it?

MORGAN: It is, but you know what? I went on the Boob Cruise, loved the temperature over on this side of the water and thought it was absolutely beautiful, so I found somewhere I could be that was warm but still I could have a proper, normal life rather than just sailing

around islands. So Florida is lovely. I love the heat.

SCORE: The weather is so different in Florida than it is in Scotland. I imagine that when you lived in the United Kingdom, you'd be all bundled up when you went outside, but now, living in Florida, it's 90 degrees out. Let's say you have to go to the pharmacy, which they call the chemist in England, right?

MORGAN: That's correct.

SCORE: So you're running out to the pharmacy to buy whatever. What are you usually wearing?

MORGAN: I tend to wear little, very short shorts and little tank tops. I've been seen out in little bikini bottoms and a tank top or whatever. Something just little. Something that I can catch the sun. I mean, I've had enough of cold weather and bundling up. I want to take advantage of how beautiful and warm it is down here.

SCORE: And you always wear super high heels, right?

MORGAN: Yeah. Most of the time.

SCORE: How do I know these things?

MORGAN: Well, you know, little people with big boobs like to wear high heels for some strange reason. And I think when a girl with big boobs wears high heels, it pushes her boobs out even further. You know how high heels make a woman's legs look better? I think they make her boobs look better, too.

SCORE: You must attract a tremendous amount of attention when you go out.

MORGAN: Yeah, although sometimes a little too much. I like all the attention, otherwise I wouldn't have such big boobs, but sometimes I like a little bit of free time to myself where I don't attract it. Sometimes I like to be able to just go out and just blend in. But most of the time I like the attention.

SCORE: When guys are looking at you in the store, what do they say?

MORGAN: I get all sorts of things, but you know what? Guys will stare and smile and laugh with me. They won't say mean things. Women are the ones who can be not so nice about it. They seem to be jealous, or they'll just laugh. The guys are nicer to deal with when I'm out in public.

SCORE: So you can say, "Don't hate me because I'm busty."

MORGAN: Exactly. That's exactly what I would say. Women just don't know the kind of person I am, which is their downfall. But guys are usually great. They're usually fascinated.

SCORE: Do British and American women pretty much react to you in the same way?

MORGAN: Yes, I'd say so.

SCORE: And the British and American guys: Is there a difference?

MORGAN: Not that much. As you know there are busty models in Britain, too, like Linsey Dawn and Lorna Morgan. Guys see them over there quite often, and I think British women tend to be bustier than American women. Of course, it's not an everyday thing that you see women with boobs the size that I have, but guys in America and guys in Britain are pretty similar. It's a pretty similar world all over.

SCORE: Obviously, you're very breast oriented in your life. Have you always been that way?

MORGAN: The size of my breasts and other women's breasts really didn't occur to me when I was younger, but as I got older and tried different things, I started to like big boobs, and it's always good to try different things. Having big boobs is the best thing I've ever done.

SCORE: So you enjoy modeling?

MORGAN: If I didn't enjoy it, I couldn't do it. I have to enjoy my work, especially when you see some of the videos and photo shoots I've done. I mean, I'm obviously getting into it. I obviously enjoy what I'm doing.

SCORE: What type of modeling do you like best?

MORGAN: I love playing with myself on camera, and I love going out on location and people watch-

ing me. It gives me an extra thrill to know that I'm being watched. I think every model has to be a little bit of an exhibitionist. We're showing off our bodies for the entire world to see!

SCORE: Let's talk a little more about your body. For the record, what are your measurements?

MORGAN: Well, I've got a tiny little back and very big boobs, so my bra size is, I think, a 30J. My waist is 23 and my hips are, I think, 34. I think that's right. I can never remember. I'm a tiny little person with very big boobs.

SCORE: What do you weigh?

MORGAN: About a hundred and 10 pounds, give or take a few.

SCORE: So you're super slim.

MORGAN: Super slim. Mini mini! A mini me! [Laughs]

SCORE: You mentioned that in England, you danced in some gentlemen's clubs. Which ones?

MORGAN: Spearmint Rhino, The Fantasy Bar, The Red Leopard. Different places, and sometimes I did private functions, which is a lot of fun, too.

SCORE: How about Circus Tavern, which I've heard so much about?

MORGAN:

Do you mean Circus Tavern down in London? I've never danced in London. That's where Linsey Dawn McKenzie used to dance. I've

never danced there, but I've heard it's a lot of fun.

SCORE: Where are the clubs that you just talked about?

MORGAN: A bit further north, outside of London.

SCORE: You've been to clubs in the United States, right?

MORGAN: Many times, and as a customer! I like to go to a club and check out all of the beautiful women. It's a lot of fun!

SCORE: What is the difference between an American club and a British club.

MORGAN: American clubs have been around longer so they're setup better. The clubs are usually bigger over here in the United States. And they're more accepted. It's more acceptable to go to a strip club or gentlemen's club here than it is over in the U.K. It's only starting to become an accepted weekend thing there, where in the U.S., a lot of guys and girls will go to a club together. I'll often be out with friends and we'll decide to go to a gentlemen's club.

SCORE: When you were dancing in clubs in England, did the guys act differently toward the dancers than they might have acted here?

MORGAN: No. It's still a fantasy thing, a relaxing thing, an enjoyable thing. I think most guys, wherever they are, get the same thrill out of it.

SCORE: In America, a guy will buy a lap dance, and then he'll want to talk for a while, then he'll get another dance, and there's like a cycle going on. Is it the same in the U.K?

MORGAN: Yes, it's pretty much the same, although I don't think people spend as much money in Britain, although if you look dollar for pound these days, it's not so bad. Guys in Britain are more budget-minded. They are more careful with what they do with their money, and there are certain types of people who will go into a club in Britain rather than anyone from any age range or group. In the U.S., you find all types in a club.

SCORE: What's a British lap dance like? Is there contact?

MORGAN: There's not meant to be any contact. It's very similar to the U.S., to be honest. A guy sits in a chair in a comfortable position, and the girl will dance on him, around him, above him. The same sort of thing.

SCORE: Now, you've been to clubs in Florida, and you know what goes on.

"I am a student so I can only afford something simple, but it is comfortable, and I like having my own place to live. I live in the city of Asuncion, which is the capital, so there is always much to do at night."

That blue bed that Cynthia is sitting on is the bed you'd fuck her tits on if you were invited up to her apartment after a date. "That does not happen very often," Cynthia said. "I love sex, but I am very shy and very picky. But when I do have sex, I like to have it in my own bed because I feel more comfortable that way. Then I can get up in the morning and take a shower in my own shower, and maybe read a book and study. I live a very normal life. *SCORE* is my other life, my exciting life. Big Boob Hall of Fame

CONTEST

Who is the newest member?

Back in the January '07 issue when we announced the nominees for induction into the *SCORE* Big-Boob Hall of Fame, we predicted that gaining entrance would be more difficult than ever. We were right. Becoming a member of the Hall of Fame now requires that a model receive at least 30% of the vote, and that figured to be a difficult number to achieve with the nomination of three high-profile first-time nominees: SaRenna Lee, Sharday and Alyssa Alps. Indeed, when all the votes were counted, only one nominee had surpassed the 30% plateau, meaning that the 12th inductee into the Hall of Fame is this year's only inductee. She joins Tawny Peaks, Pandora Peaks, Tiffany Towers, Nikki Knockers, L.A. Bust, Wendy Whoppers, Alexis Love, Angelique, Devon Daniels, Traci Topps and Busty Dusty on the big-boob ring of honor. Who did the readers peg for immortality? Whose bra has now become golden? Gentlemen of *SCORE*, it's time to find out!

4th Place **Alyssa Alps**

She isn't as mega-stacked as some of the superstars of the 1990s, but the former "On the Road" columnist is so closely associated with *SCORE* that it would be a shame if she didn't one day gain induction into the Hall. Maybe some other year when SaRenna and Sharday aren't dominating the vote. As M.S. of Mahwah, New Jersey said, "To me, Alyssa is *SCORE*. And nobody ever had a better all-around body than her."

3rd Place **Lili Xene**

One of the mega-stacked superstars of the 1990s, California girl Lili Xene had a short-but-sweet career in which she posed by herself and in some hot girl-girl and boy-girl shoots. "She was one of the most exotic SCORE Girls ever," wrote T.L. from Houston, Texas. "She had a look that said, 'I'm in charge.' I liked that."

2nd Place **Sharday**

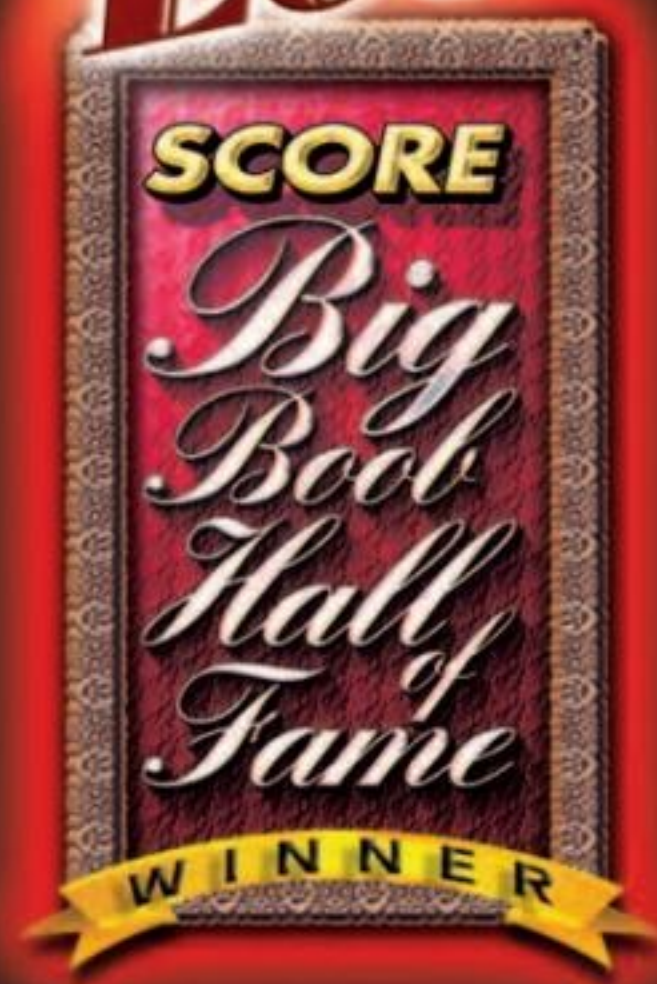

Sharday received 26.5% percent of the vote and would've received at least 30% if not for one problem: Many readers don't believe she's really retired. She announced her retirement in the Dec. '06 issue, two issues before the nominations were announced. Maybe next year.

AND THE NEWEST HALL OF FAMER IS...

SaRenna Lee

She is the ultimate *SCORE* Girl, a woman so closely associated with *SCORE* that when the time came to choose a covergirl for our 10th anniversary issue in 2002, we didn't hesitate. SaRenna Lee had to be the one. She made 20 appearances in *SCORE* during a career that spanned two decades and started when her face (and only her face) graced the cover of the Dec. '93 issue. That says all you need to know about this H-cup legend. Never before and never since have we shown only a model's face on the cover. But SaRenna was about much more than big tits. She had style. Sex appeal. Beauty.

SCORE
**BOOB
CRUISING**
WITH SaRenna

SaRenna sailed on three Boob Cruises—1995, '97 and '98—and was, according to one passenger, “the main reason I signed up.” Wrote one reader, “My apologies to the models who are on the ballot for the fifth time, but SaRenna is a no brainer.” Added another reader, “SaRenna was often compared to Marilyn Monroe because of their similar looks and the fact that SaRenna wore the Marilyn dress in her first pictorial. But that comparison was unfair to SaRenna, who’s head-and-shoulders above Marilyn in every category: boobs, face, overall body. No contest.”

SCORE 65

SaRenna on the Cover

Putting SaRenna on the cover was always a recipe for success. Her cover issues were some of the best-selling of *SCORE* ever, and most of them are now hard-to-find collector's editions.

If you're not among the 34.6% of the readers who voted for SaRenna and you're still not convinced of her worthiness, then this collection of photos from her most memorable pictorials should sway you. She could be sexy and sultry. She could be drop-dead beautiful. She could be the girl-next-door. She could be the fantasy teacher of your dreams. "Every one of her pictorials—and I still have every one of them—was special," wrote A.R. from Aurora, Illinois. "It wasn't just her variety of looks. Any model can put on a costume. It was her array of stunning looks."

SaRenna Tit-to-Tit

SaRenna never did boy-girl, but she went tit-to-tit with some of the greatest big-busters ever, including Chloe, Minka, Maxi Mounds, Danni Ashe and Lisa Lipps. How'd you like to be the meat in the boob sandwich SaRenna and Lisa are creating at the top of this page? And check out the photos of the three-way on page 69. What do SaRenna, Tawny Peaks and Angelique have in common? They're now all **SCORE** Big-Boob Hall of Famers!

was wearing a tight top, too, until I looked closer and realized that her top was painted on. Very interesting, although I don't see why it's imperative to paint a beautiful woman's body.—A.Y., Atlanta, Georgia

Dear A.Y.: It's not imperative, but once in a while, it's fun! But we get your point, and we'll continue to respond to reader demand by running photos of the models in tight tops and, of course, their amazing bras.

A TIT-FUCKING LOVER'S GUIDE TO THE ART OF TIT-FUCKING ON DVD

Dear SCORE,

With regard to tit-fucking, my all-time favorite, my three favorite positions for videos and DVDs include:

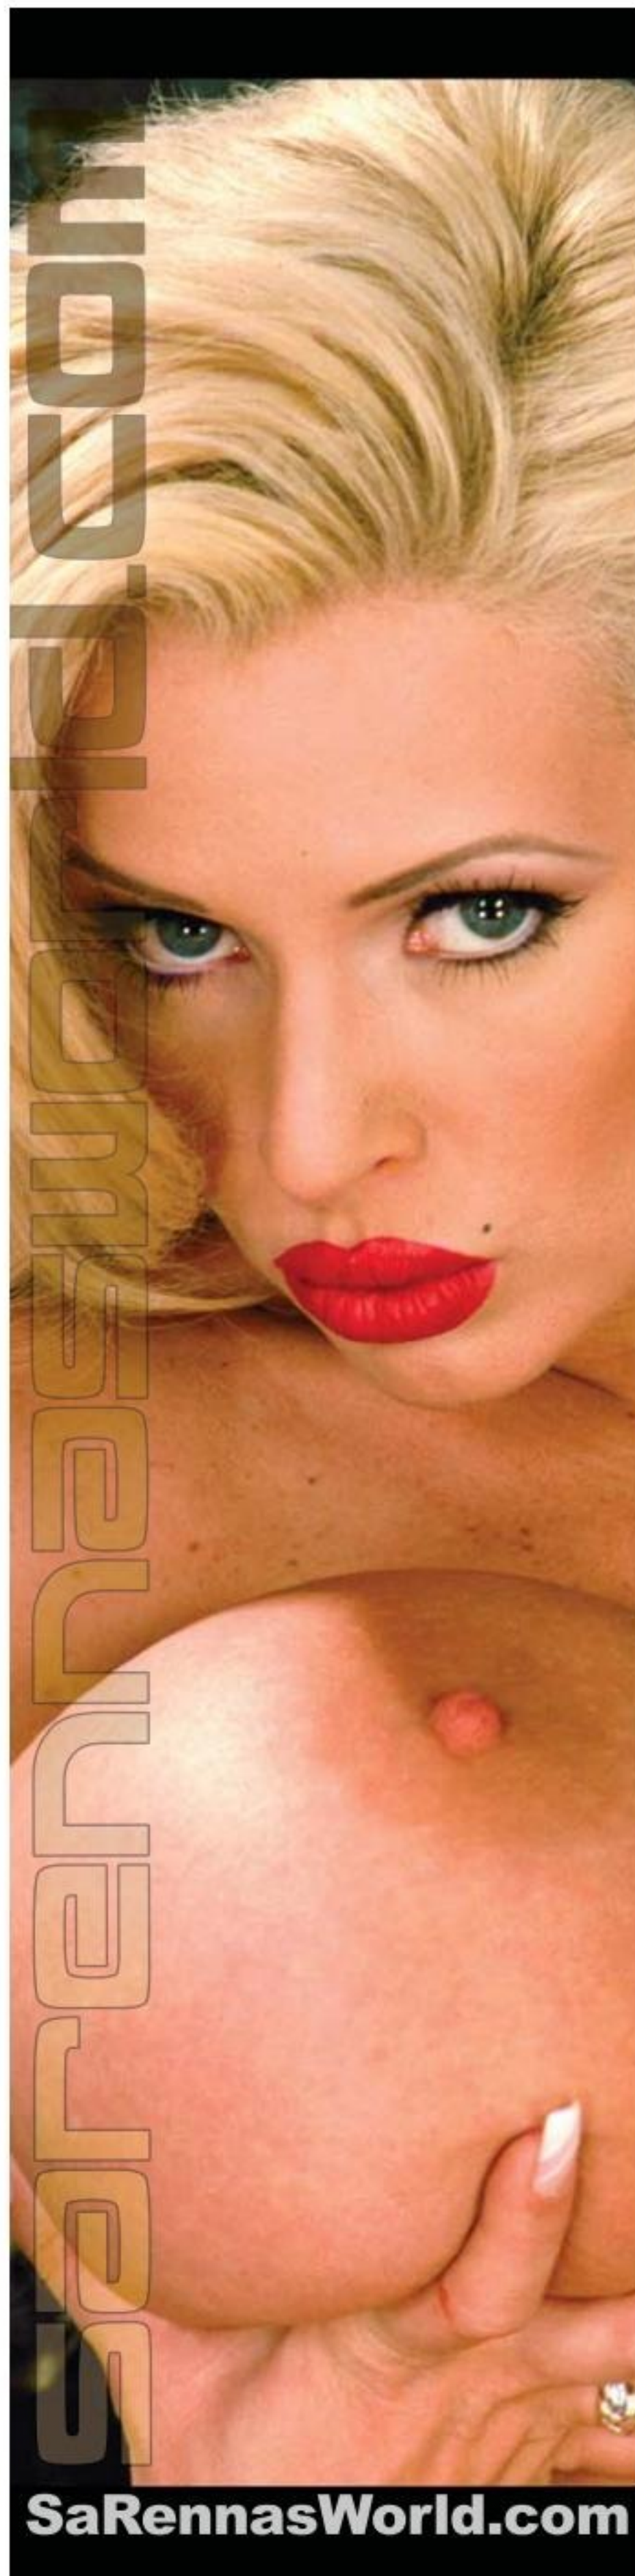

1. The female model kneeling in front of the male model (who's standing) with a close-up side view of the action, including the female model's face. The camera zooms in further when the female model licks and sucks the tip of the male model's penis as it emerges from her cleavage towards her face.

2. The male model lying on a bed with his legs hanging off while the female model kneels between his legs and tit-fucks him.

3. The female model lying on her back with the male model kneeling over her with each leg on opposite sides of her at

Lisa Lipps demonstrates reader S.G.'s second-favorite position for video tit-fucking.

breast level. The camera angle is low and close from the right shoulder of the female model as well as directly overhead and close.

All of these scenes are preceded by a wet, sloppy blow job or the use of baby oil to lubricate both the cock and the model's cleavage before extended tit-fucking. The best effect is also obtained by the model squeezing her breasts tightly together or wrapping her breasts around his penis as she pumps and strokes it from a kneeling position. The best climax is usually with the male shooting his load towards the female's face while he thrusts between her breasts. This climax scene is far more erotic than the male pausing and jacking-off on the female's breasts or face.—S.G., via email

SHOOT 'EM AT HOME, BUT MAKE SURE THEY'RE SHOWING SKIN

Dear SCORE,

Guys who are blasé about nudity and hardcore sex because they see so much of it are the same guys who go crazy when they see a busty girl run down the aisle on *The Price Is Right* or sprain their necks watching a girl in a tight sweater get out

Yes, Vixen LaMoore (April '07) really does go out dressed like this. Thank the heavens!

of her car on the street. I'd like to see more "At Home" features but only if the model is wearing tight, sexy clothing. Penny Porsche's clothes were too concealing in her "At Home" feature in the October '06 issue.—N., via email

Dear N.: If you like tight, sexy clothes, check out Vixen LaMoore's "On the Town" feature in the April '07 issue. In some of the pictures she's at home, in others she's on the town, but in all of them, she's wearing the tightest, sexiest, most cleavage-revealing tops and dresses you've ever seen.

NICOLE PETERS' PUBIC CANVAS

Dear SCORE,

Nicole Peters would look even more fantastic if she had her pubic hair lasered into the shape of a heart. She could shave the top part to form a triangle.—J.Y., Cocoa Beach, Florida

Dear J.Y.: We'll pass your suggestion along to Nicole. Would you like to be the one who does the shaving?

ARE CHAKA T. & VIA PAXTON BETTER THAN MERILYN? NO WAY!

Dear SCORE,

Everyone is entitled to their opinion, but C.W. from Pinehurst, North Carolina ("Scorecard," Jan. '07) ranking Marilyn third behind Chaka T. and Via Paxton on the list of SCORE's greatest naturals strikes me as being about as totally racist as it would be if I claimed that Lorna Morgan has bigger tits than Sammie Black. You might prefer Chaka's and Via's overall looks (face, pussy, ass) to Marilyn, but there's no way you can call them better big-tit models because size-wise, they don't even come close.—C.F., Dover, England

DILDOS? SUCKING & FUCKING? NOPE, IT'S ALL ABOUT THE TITS

Dear SCORE,

I totally disagree with the readers who say that any model who doesn't do hardcore or spread her legs shouldn't be allowed in SCORE. I have the opposite, though possibly equally extreme, point of view. I think SCORE should go back to its roots and not put so much emphasis on spread legs and hardcore.

For example, take Peggy Sue from the January '07 issue. If you had a rule that the models had to spread their legs or do hardcore, we would've been denied the opportunity to see her wonderful tits. The same goes for Rukhsana, Laura Fairchild and even Kelly Kay and Nicole Peters, who were very reserved at the

SCORE is about big tits. Spread legs and hardcore sex have nothing to do with big tits. I want to see the models' tits from all angles. I don't think you should show fewer tit photos just so you can show us the model's spread pussy. There are plenty of pussy and hardcore magazines out there, but there's only one SCORE.—J.T., Flint, Michigan

NICOLE PETERS' PUBIC CANVAS

Dear SCORE,

I know "Scorecard" isn't an advice column, but I don't know where else to turn with this question. I'm a divorced man in his mid-40s, and my 20-year-old daughter is a student at a state university in New Jersey. She spends most of her breaks with me, and recently she asked me if she could bring home one of her friends from school, who I'll call Carla, for a few days. Of course, I said yes.

When my daughter came home with Carla, I didn't notice anything unusual because the weather had been cold, and both of them were bundled up in winter coats and sweaters. Besides, it was getting late a night, so my daughter showed Carla to the guest room, and they both went to sleep.

Well, in the middle of the night, I woke up to go to the bathroom, and who did I see coming down the hallway, also apparently headed to the bathroom, but Carla, sporting the biggest pair I've ever seen. She was wearing a little T-shirt tank top, her nipples were poking through and her tits looked enormous. And when she saw me, she made no attempt to cover up her twin treasures.

Over the next few days, I was treated to several eyefuls of Carla's clothed rack, and she was very flirty, but nothing ever happened. They went back to school, and that was the end of it. But now my daughter is bringing home Carla for Easter break. Do you think it would be okay for me to try something with Carla?—J.L., Paterson, New Jersey

Dear J.L.: Look but don't touch. Unless you think your daughter wouldn't mind if you fucked her friend. Doubtful.

THE CENTERFOLD & NATURALS

Dear SCORE,

I want to put my two cents in on the issue of the split centerfold for SCORE and Voluptuous magazines. I think that you should not split the centerfold. I

**“Love me,
love my
titties!”**

THERE'S MUCH MORE TO LOVE ABOUT AFRICA THAN JUST HER BIG TITS. BUT YA GOTTA START SOMEPLACE!

Many years have passed since a dick-eating male asshole told Africa, “More than a mouthful is a waste.” More than five years have passed since we met Africa and she told us, “My ex-boyfriend told me he liked me better as a double-D. He talked me into having a breast reduction. I made an appointment. I was all set to go.” Fortunately, her G-cup naturals survived this dire threat to their being, and now Africa proudly proclaims, “Love me, love my titties!”

There's a lot to love about Africa. Her beautiful face. Her ultra-pink pussy. Her tiny waist and long legs. But with Africa, it all comes down to her tits, and she has become very accepting of that. "My breasts have given me a lot of pleasure, and they've given a lot of men a lot of pleasure," she said. "Is there anything wrong with that?" Nothing that we can think of. "When I realize what I almost did to please one stupid guy, I wonder what I was thinking. That would've been the biggest mistake ever."

Most *SCORE* Men have boob radar. They can spot a big pair chick from across the room. Africa has boob-lover radar. "I can tell if a man loves big tits right away, and if he doesn't, I send him packing," she said, laughing. "When a man is really straining to look me in the eyes and acting like he doesn't want to look at my chest but can't do it, that's a big-tit lover. That's the kind of man I want, one who appreciates who I am and what I have to offer. A man who makes me feel good about being a big-breasted woman. Because that's what I am and what I always will be." Amen!

think there should be a centerfold type of picture that cannot be pulled out. On the last page before the Xtra section, put a full-page picture of the last model. Then on the first page after the Xtra portion, do the bra shot or ass shot, depending on the magazine. One other idea would be a centerfold spread that can be removed. Just a thought.

Now I want to put in my thoughts on your 20 greatest all-natural models from the September 2006 issue. There are three ladies that I think should be added: Cassandra, Brandy Talore and Susie Wilden. Those are three future Hall of Famers. How can they be left out?

The ladies that should be removed are Marilyn Sakova, Lisa Phillips and Kelly Kay. Not that these ladies are not deserving models for your magazine, just that they are not among the 20 all-time greats.—T.S., Pittston, Pennsylvania

THE TOP 20 NATURALS REVISITED

Dear SCORE,

I know it has been a long time since you asked in the September '06 issue, "Who's on your list of the top 20 naturals? And who's the greatest natural ever?" but I'm ready to answer.

20. Chaz. Cute. Amazing proportions.

19. Marketa. I'll never get over her in black vinyl taking it up the ass.

18. Jeannine Oldfield. She had classic good looks.

17. Via Paxton. Nice shape, great skin and amazing hair.

16. Nicole Peters. Pretty, and she has terrific hooters.

15. Nadine Jansen. Glamorous and classy looking. Her first pictorial is still my favorite.

14. Kerry Marie. Such a beautiful face.

13. Michelle Bond. Great overall package and always striking sexy poses.

12. Joana. The one I'd secretly like to marry. What eyes!

11. Ines Cudna. Amazing combination of face, body and sexy posing.

10. Chloe Vevrier. Epitomizes the word "natural" with a lovely bush and a plump body.

9. Lorna Morgan. Flawless in every possible way.

8. C.J. She only posed for three pictorials, but they're all unbelievable.

7. Kelly Kay. Some of her shots are the sexiest you've ever shown.

6. Marilyn Sakova. I can't believe she's only No. 6 on my list. The best natural tit-to-waist ratio in the world.

5. Devon Daniels. Another amazing natural. She makes demure look sexy. Also, great skin and hair color.

4. Cassandra. Your most underrated model. She is gorgeous and dirty as hell!

3. Linsey Dawn McKenzie. Not only a smoking body, but great at posing too. She knows how to be super sexy.

2. Autumn Jade. She just keeps getting sexier and sexier. The way she trims her pubes drives me wild, and her wide hangers are heavenly.

1. Sharday. The greatest natural ever for so many reasons. Her proportions are mind-boggling, her young and innocent face turns me on and her poses are the best. I want to fuck her no matter what I see her do, whether it's pulling her ass cheeks apart from behind, squeezing her oiled tits together or pulling her knees up to her ears and exposing her shaved pussy. She's my ultimate turn on.—E.B., Berkeley, California

SHARDAY: "PROFOUND" IMPACT

Dear SCORE,

Sharday had a profound impact on how I view women and what I really want out of life when it comes to women.

Knowing you like curves is one thing, but to see a girl like Sharday is to finally understand perfection. For the longest time, I was hooked on Danni and Linsey. I guess I still am to a certain extent, but if I could choose one woman the whole world over, it would be Sharday.

I've been a member of Scoreland since its inception. Sharday tops them all. She will be missed.—Dave, via email

Dear Dave: You're not alone in your feelings. But did Sharday get inducted into the Big-Boob Hall of Fame in her first try? Turn to page 63 for the answer. 📌

MORGAN LEIGH

Continued from page 52

MORGAN: [Smiles] I know what goes on in those clubs, yeah!

SCORE: There's tons of touching.

MORGAN: It's not always meant to be that way, but it does happen. And it happens in every club, all over. All girls will do it. Sometimes it gets them a little extra money, some girls just like touching. Some of the guys get away with touching, too, which is a bit bad because you don't always want that. Of course, when a naked woman is sitting on top of a man, you have to expect certain things to happen. It's human nature.

SCORE: Do you think things will change in Britain? Will the clubs get looser and more permissive?

MORGAN: Yeah, I think so. I think it's just one of those things where it has taken time to take off, whereas it's been in the U.S. for a long time. But it will all become the same. We're very similar to America in Britain.

SCORE: Is there total nudity in the British clubs?

MORGAN: In some of them there is, but it depends on where you are. There are different laws. In the clubs I danced in, in most of them, I had to wear knickers. Of course, it didn't matter because most of the men only cared about staring at my big boobs.

SCORE: Are the other dancers jealous of you because of your boobs?

MORGAN: They're more fascinated as to why I got them so big. A lot of them said they loved them but they wouldn't themselves get them so big because they know it can hurt your back a bit and it can be tiring, but most of them were very nice to me. They liked to see me. They just wouldn't want to have boobs like mine. Which was to my benefit, especially for the guys. I definitely stand out in any club I go to!

SCORE: In between dances and chatting, what questions would the guys ask you?

MORGAN: All sorts of things. Are you going out with anyone? Do you want to go out for a drink? Where do you like to go and eat? All sorts of questions. Everyday questions. Of course, a lot of questions had to do with my boobs and my body. I get asked everything. Some really weird stuff, some normal stuff.

SCORE: What kind of weird questions?

MORGAN: Fetishy questions like, "Do

you like sucking your toes?" No, I don't like sucking my toes because I can't get there. Then again, I don't know. Maybe I would if I could!

SCORE: Have you ever been asked, "Do you like being tied up?"

MORGAN: No, but if you're asking me now, the answer is occasionally. I wouldn't ever say no!

SCORE: Have you ever caused a traffic accident by walking down the street?

MORGAN: I haven't as far as I know, but I could have.

SCORE: So nobody's ever stopped short and gone through the windshield?

MORGAN: [Laughs] No, but I have seen cars screech to a halt before, so that's always funny, and guys are always whistling out their car windows, so I give them a wave. But that's cool.

SCORE: Being super-busty presents its own unique set of challenges, so now we've come to the all-important question of tops and bras.

MORGAN: Oh, that's hard work!

SCORE: Do you have any favorite brands of bras?

MORGAN: I do. Freya is one. They're starting to make really big bras now. And Fantasie as well. They're really cool, but Freya tends to make young and funky stuff, which I prefer, rather than Fantasie, which is the old, traditional styles. But the hardest thing is buying dresses because I can't find anything that fits my huge top half and my tiny bottom half.

SCORE: What is your dress size in the United States.

MORGAN: Generally the smaller the better, so usually a size zero or a two, but it has to be stretchy so it fits around my boobs. Like I said, that's always the problem. I'm a very small girl other than my big boobs, and clothes tend not to fit me right.

SCORE: Can you buy bras off the rack in the store?

MORGAN: Generally I can't, although I can in Britain. There's a store that does sell big bras, and they do mail order them to the U.S., so I can get them, but I can't buy them in the U.S., or I haven't found any yet. If anyone knows where I can find them, let me know!

SCORE: Do you get fitted for bras?

MORGAN: I have been fitted and laughed at. [Laughs]

SCORE: Laughed at? That's not right.

MORGAN: No, but people say, "You must be joking! We don't have anything

SIT DOWN. TAKE A DEEP BREATH. GORGEOUS RUKHSANA IS BACK!

Is your heart beating faster right now? Are your palms getting sweaty? Are you going out of your mind trying to decide which part of Rukhsana to look at first? Yeah, you're a boob-man alright, but a babe like Rukhsana can cause mass confusion in your previously well-calibrated-for-big-tits mind. But relax. You'll get over it. Maybe.

Every year when we're counting the ballots for the *SCORE* Awards, several readers write, "If this were a beauty contest..." We got that again in the 2006 Newcomer of the Year voting, and the name most often mentioned was Rukhsana, an exotic English doll who debuted in the October '06 issue. "She's this year's Bea Flora," wrote F.P. from Joliet, Illinois. But like Bea, Rukhsana isn't just a pretty face. Those babies are F-cups!

Would Rukhsana have won Newcomer of the Year if she had shown pink? Who knows? The three girls who finished ahead of her all posed more explicitly. But that's okay with Rukhsana. "I am proud to even be considered, and I am thankful to all of the men who voted for me," she said. "How could I ever thank them?" Rukhsana, we can think of lots of ways!

MORGAN LEIGH

Continued from page 94

in that sort of size." They just shake their heads and laugh.

SCORE: So what size do you buy?

MORGAN: Basically I can get anywhere from a 30-J up to a 32, sometimes a 34J, and then I get them slightly altered. I get the backs taken in so that they'll fit me. I'm so small around my back. It's so difficult.

SCORE: Do you wear a bra a lot?

MORGAN: I wear a bra almost all the time when I'm not modeling. I wear a bra to sleep because it's more comfortable and I don't get tangled up. Otherwise I get tangled up when I sleep without a bra.

SCORE: Have your boobs ever fallen out of your clothes while you were out in public?

MORGAN: That happens quite regularly because I wear little tops and tube tops, and they always fall off. It's quite funny. I mean, I'll be walking down the street and a boob will pop out, and everybody will be watching and pointing. And I always wear bikinis to the beach, and my bikinis are really not the right size for me, and they quite often fall off. That's quite a scene, too!

SCORE: You must look spectacular in a bikini or a tube top.

MORGAN: Oh, I scare people to death! [Laughs] They're either scared or embarrassed. They're like, "Look at that woman! Look at her boobs!"

SCORE: Morgan, they're not scared. They're just going crazy over your big boobs. That's what's happening.

MORGAN: Oh, okay! You're so kind.

SCORE: What's the best thing, for you, about having big boobs?

MORGAN: That you want to photograph me, of course, and all the readers want to see me, and that they made me Newcomer of the Year. I've been waiting to do this for so long since we shot in 2000 on the Boob Cruise, so this is the most exciting thing for me.

SCORE: Is it?

MORGAN: Oh, yeah! **SCORE's** great!

SCORE: Can we talk about sex for a while before we wrap things up?

MORGAN: Oh, go ahead! Just a little bit. I get embarrassed.

SCORE: Just imagine that I'm a guy in a club asking you these naughty questions and you won't be embarrassed. How do you like your breasts touched?

MORGAN: I just like them to be caressed gently. *[She demonstrates]* And maybe squeezed really slightly.

SCORE: So no rough stuff?

MORGAN: If I'm giving somebody a tit wank, I can be a little bit rough, but I prefer it really nice and gentle most of the time. *[Lifts her tits and squeezes them together]* Put that big cock in there and give 'em a good jiggle jiggle.

SCORE: Every tit man loves that.

MORGAN: The jiggly-jiggly thing? Yeah, they love that. Every single man who's into big boobs loves that.

SCORE: And every guy likes it a different way, doesn't he?

MORGAN: Yep. Sometimes a guy likes to tit wank with me on my back, sometimes with me on top. All different ways. Or kneeling right in front of him. *[Jiggles her tits as if she's tit-fucking a guy]*

SCORE: But a lot of men are embarrassed to ask their partners for that, aren't they?

MORGAN: Do you think? Maybe. I haven't really come across anyone who's too embarrassed to ask me for a tit wank. Most guys have no trouble asking for that.

SCORE: Do you like for a guy to cum on your boobs?

MORGAN: Yeah. I like that really warm sensation when all that cum is going down the middle of my cleavage. It's really nice when it dribbles down there.

SCORE: Girls have told us that it gives them a sense of power.

MORGAN: Really? I think I like the thought that my boobs give someone so much pleasure. It's not so much power with me. I like to pleasure someone and make them feel good. I can make a man cum in two minutes, less than two minutes, just by showing my tits to him, before he even touches me, just by me playing with my boobs. It's power, but it's more that they're getting satisfaction from me. I'm very much into giving satisfaction. I think that's one of the reasons men like me so much. I'm not selfish in bed. I'm more of a giver than a taker.

SCORE: Well, one Boob Cruise and six years later, we have Morgan Leigh, 2006 SCORE Newcomer of the Year.

MORGAN: That's right! Very proud 2006 SCORE Newcomer of the Year.

SCORE: And we hope to see plenty more of you!

MORGAN: I hope to see plenty more of you, plenty more times! This could get to be a very good habit!

PAGING
EMILY
CARTWRIGHT

**SCORE
DEBUT**

**NEW GIRL. VINTAGE OUTFIT. BUT EMILY
CARTWRIGHT ISN'T OLD-FASHIONED.**

In the 1950s, actress Bettie Page was the naughtiest babe in show business. Fetish, bondage, nude photos... she did it all at a time when women simply *didn't* do it all. And chances are, she once posed in an outfit just like the one newcomer Emily Cartwright is wearing here: bullet bra, fishnet stockings, black, vinyl corset, stiletto heels. But Emily is naughtier than Bettie ever was!

"I learned everything I know about giving blow jobs from watching porn," Emily said. "I have a very high sex drive, and I love having my tits fucked. I love turning men on. I love deep-throating a big cock. I love getting on top of a man's cock and riding it while he reaches around me from behind and plays with my big, soft tits. I like my man to be in charge, and if you tell me what pleases you, I'll do it. Suck your cock. Lick your balls. Eat your asshole. I'll even let you fuck me in the ass. That's my favorite. Sucking cock makes my man feel good, and every girl likes a good pussy fucking, but it's anal that puts me over the top. And don't worry if your cock is too big. I can take it! I even have a big butt-plug that I like to shove all the way into my ass. And if a guy happens to show up, I'm ready!" Whoa! That's a lot of energy from an English chick who's just getting warmed up for what could be a very interesting career in porn.

In overall looks and sex drive, Emily reminds us of Aussie *SCORE* Girl Angela White. "I've seen her, and she's a very sexy girl, so thank you," Emily said. "But when it comes to sex and pleasing a man, I'll kick her ass! I guarantee I can suck a cock deeper than she can, and I guarantee I can tit-fuck better than she can, and I know I can fuck better than any girl in the world. I'm not saying that to be rude or anything. I'm saying it because it's the truth. So if you're out there and reading this, Angela, bring it on!" Hey, we'd love to see Emily vs. Angela in a big-tit fuckathon. But for now, we'll settle for Emily...and Bettie Page. *We're fucking Emily. We're fucking Bettie.* And Emily is a lot better. Those big tits are why.

PENNY PORSCHE POONTANG POOL PARTY

HER IDEA OF A FUN DAY BY THE POOL CONSISTS OF FUCKING, SUCKING AND LOTS OF CUMMING. WANNA JOIN IN?

The last time we saw super-MILF Penny Porsche (in the Jan. '07 issue, she was sunbathing by the pool, getting hotter and hornier as the sun shined on her lush body. Well, apparently, being outdoors in the sun makes Penny a very horny girl because here she is again, poolside and thinking about sex, like she always does. But this time, she has a hard cock to keep her company. "Come fuck me," she says to the pool boy. "Suck on my big tits, and then I'll suck your big cock!"

A blonde woman with large breasts is lying on her back. A man's hands are visible, one on her left breast and the other on her right breast. She is looking up at the camera with a slight smile.

Fucking Penny's mouth and spearing her cunt while her big tits hang down sounds like a lot more fun than sitting on the pool deck and reading some boring novel or playing volleyball in the pool. It's a lot more satisfying, too. "The sun beats down on our bodies, and your cock beats away at my pussy," Penny said. "My tits feel so big and soft in your hands, then I turn over and you blast your sticky load all over them. Don't you love a day at the pool?"

KAREN FISHER'S BIG-TIT TUNE UP

SOMETIMES, IT TAKES A WOMAN WITH A LOT UNDER HER HOOD TO FIX WHAT'S UNDER YOUR HOOD.

So there's this dude. His car breaks down, and he pushes it into the nearest shop, looking for a mechanic. Karen shows up, F-cups popping out all over the place. The guy looks her over. "I was looking for a guy," he says. "I actually own the shop," Karen says, a little insulted. He lets her take a shot at fixing it. The car starts. "I guess I'm not such a bad mechanic after all," she says. "You're a tomboy," he says. Karen puffs out her chest. "Do these look manly to you?" she says.

"I'm a woman," Karen says. "I want to be treated like a woman." She takes her tits out of her bra so he can suck on them. She gets down on her knees and blows him. He fucks her on the car and on the garage floor, and she smothers him with her meaty ass. "I fixed your car," she says. "You better cum on my tits." That's a work order this guy can't refuse, and when he does, she rubs it in. Because cum keeps her engine running.
